<u>**INDIVIDUAL (15 hours)**</u>
click ***Add class***

        <u>**CLASS INFO**</u>
        Class name: Bloodborne Pathogens Review
        Class Sponsor: Baltimore County Fire Department
        Method of Instruction: State Approved Computer Class
        Hours: 2 hours

click ***Add class***

        <u>**CLASS INFO**</u>
        Class name: Hazardous Materials Refresher
        Class Sponsor: Baltimore County Fire Department
        Method of Instruction**:**   State Approved Computer Class
        Hours: 4 hours

     For the remaining 9 hours you can add any EMS training you have taken recently which is state approved or accredited through CAPCE

Once you have entered all your class information, it will ask you for payment/voucher number, contact the Fire Rescue Academy for a voucher number.
<u>**AFTER**</u> your National Registry application has been approved and updated you need to apply for your Maryland recertification.

MIEMSS has changed their process for Paramedic recertification. You must go to www.miemsslicense.com and create an account if not already done so.

- Log in and go to Applications.
- Complete an application for Paramedic recertification. The only information you should need is your current registry information.

If you have any questions that are not answered with this file, contact the Fire Rescue Academy
