### CRT Renewal Process 2018

MIEMSS is now handling renewal/refresher for CRTs & EMT-Intermediates for Maryland. The process is below.

1. Log onto [miemsslicense.com](http://miemsslicense.com)
2. Select Applications
3. Complete the CRT renewal application at [miemsslicense.com](http://miemsslicense.com)
4. It will be reviewed it once submitted
  - If all required con ed appears in our system the FRA will be prompted to verify your CRT skills – from your ALS Skills Check
  - If all of your con ed is not listed in the system you will receive an email notifying you that your hours are short
    - You may submit proof of completion of your hours (certificates or rosters) to [tbuckson@miemss.org](mailto:tbuckson@miemss.org)
    - Or you can email the FRA ([sarnett@baltimorecountymd.gov](mailto:sarnett@baltimorecountymd.gov)) with your rosters and certificates showing the completed number of hours and a short note stating your Con Ed hours were short and the hours needed are covered by the certificates and rosters
    - Certificates and rosters can be sent to [tbuckson@miemss.org](mailto:tbuckson@miemss.org) at the same time as your renewal application is submitted
    - Once MIEMSS receives proof of your completed Con Ed hours and the skills are verified, then your application will be processed and completed for renewal.

As of this time NREMT is no longer renewing EMT-Intermediate providers. If you choose to renew with NREMT you will be downgraded with them to an Advanced-EMT. At this time MIEMSS is not recognizing A-EMT. More information on this will follow, there are still very active discussions going on across the state on the matter.

Any questions please contact PM Arnett at [sarnett@baltimorecountymd.gov](mailto:sarnett@baltimorecountymd.gov)
