FADO Truck Turn-In Procedure

Please bring the following documents to the test site on the day of the turn-in.
Candidates who fail to bring all required documents may be turned away.

* When completing the MFSPQB Skills Checklists, please ensure that the forms are completed in the ENTIRE FORM IS COMPLETED IN BLUE INK. Each individual line must be dated and initialed; it is not acceptable to draw a line down the sheet indicating completion of multiple skills. The MFSPQB will reject these forms and this will result in significant processing delays.

**** Applicant must present actual Driver's License for evaluation ****

Two Copies of the Following:

- Driver's License and "State of Maryland Emergency Vehicle Operator" card if applicable
- MFRI unofficial transcript showing EVOC with a grade of "passed"
- MFRI unofficial transcript showing Aerial Apparatus Operator with a grade of "passed"
- FF-II Pro-Board Certification

In-Station Training:

- Two copies of the Form# 330 for the day of the test (completed & signed by candidate/officer)
- Completed FADO Truck In-Station Performance Objectives Checklist (NFPA 1002, most current edition)
- Completed FADO Aerial Skills Checklist (NFPA 1002, most current edition)
- Completed FADO Tiller Skills Checklist (NFPA 1002, most current edition)
- Completed FADO Turn-In Driving Log

Pro-Qual Forms:

- FADO - Aerial Form completed through applicant signature
- FADO - Tiller Form completed through applicant signature

I verify that all objectives completed on the above checklist have been successfully completed by the candidate and reviewed by the station officer for accuracy.
